

# 2026 Tin Cup Challenge RULES & PROCEDURES

GIVING PERIOD | JUNE 12 - JULY 24

EVENT DAY | SATURDAY, JULY 18

## ABOUT THE COMMUNITY FOUNDATION OF TETON VALLEY

For more than 18 years, the Community Foundation of Teton Valley has been dedicated to elevating lives through the power of generosity. The Foundation organizes the annual Tin Cup Challenge, hosts professional development workshops for nonprofits, distributes grants through our Competitive Grants and Youth Philanthropy programs, and assists donors in establishing philanthropic funds.

## ABOUT THE TIN CUP CHALLENGE

The Tin Cup Challenge embodies Teton Valley's generous spirit; one in three households participates in charitable giving through this event! Since 2008, this collaborative program has raised nearly \$31 million to support local nonprofits dedicated to enhancing the quality of life in Teton Valley.

Donors can support as many nonprofits as they wish by making a single gift to the Community Foundation during the Tin Cup Challenge, confident that each organization will receive 100% of all designated gifts along with a percentage-based Match Grant from the Community Foundation. This Match Grant is made possible through the generosity of donors who contribute to the Challenger Fund annually. Tin Cup Challengers cover the costs of this program, ensuring participation is free for eligible organizations.

The 19th Annual Tin Cup Challenge Event Day is scheduled for Saturday, July 18, 2025, at Driggs City Park. This community celebration highlights the power of generosity in Teton Valley and raises awareness about the vital programs and services provided by local nonprofits. The event will feature a competitive 5K/10K run, a 5K fun run/walk, complimentary beverages, snacks, family-friendly activities, and informational booths from nonprofits.

## ABOUT THE CHALLENGE GRANT

The structure of the Tin Cup Challenge Grant is designed to provide Match Grants that broadly support local organizations, as outlined below:
