Grant Application Narrative*

**Please use the format below to tell us about your project - deleting the instructive text as you go.*

1. **Project Summary:** (60 words or fewer)

Please write a brief summary of your proposal. This section should concisely tell our Youth Philanthropy students about your project.

2. **Community Need:**

Please describe the nature, scope and urgency of this need in our community. Please include specific data and information regarding how this issue impacts Teton Valley.

**Tip: be sure to write this section from the perspective of what the community needs, not from the perspective of what your organization needs.*

3. Project Description:

Describe the project in detail and explain how your organization will use grant funds. What are you trying to accomplish? What are the critical components of this project? What other agencies, if any, are collaborating with you?

4. **Evaluation Criteria:**

What criteria will you use to evaluate and measure the success of your work? How will you assess the degree to which you have impacted the community need?
