As a reminder, the Community Foundation staff processes gifts steadily from the start of the Giving Period through mid-August. All gifts are reviewed prior to posting, including online donations, which creates a delay between gift receipt and when gifts are visible. Note that almost  $\frac{2}{3}$  of donations arrive in the last week of the Giving Period. You will be notified when all gifts have been processed. We appreciate your patience!

Please note that the Contribution Activity Excel Export provides the total contribution by donor, which includes the automatic 2.4% fee applied to all credit card donations. This fee is deducted from your account before you receive the total grant check in August.

Thank you, please contact Brian, [bthysell@cftetonvalley.org](mailto:bthysell@cftetonvalley.org), with any questions!
